Will do, the public meeting sounds like a good opportunity. Tom

That sounds fine, It is a busier than normal summer for me as I am actually trying to fit in some vacations instead of waiting until winter. Go figure.

As far as a schedule goes: the week of June 29<sup>th</sup> I could squeeze in a day.  
The week of July 13<sup>th</sup>. And just about any week in August at this time. At this time I'm guessing August 13<sup>th</sup> will be their public meeting, that may be a good day to go up tour and attend the meeting?

Let me know what you think?  
Mike

Mike, on second thought, I'm going to recommend that if we can't go with you that we await a better date to coordinate on. Patience seems prudent at the moment, we'll probably do a drive by however. Tom

Hi Tom,

There is a Steve Wright who is the on-site manager, I don't have a contact number for him, but I met a Halley Beaudry project manager (?) for CFAC. He may be able to get you in touch with a poc for a tour. Halley's number is: 406-565-1081. Let me know if this doesn't work. I am headed up to Kalispell tomorrow and I can see if I can get a number while I'm there as well.

Mike

Mike,

Do you know if there is an onsite representative that could provide a quick site tour on 6/25? Jenny and I have to meet with the County Health folks at 1 pm that day, so a short tour afterwards would be a plus. Please let me know,

Tom
